The Local Club Signs Sowers and Fitzgerald.

## RECORDS OF THE PLAYERS.

The Hoosiers Defeat the Giants in an 11-Inning Game.

BOSTON BEATEN BY THE CHICAGOS.

A New Manager for the McKeesport County League Team.

## GENERAL BASE BALL NEWS OF THE DAY.

The announcement was made yesterday that the local baseball club had signed two new pitchers, viz.: Sowers, of Boston, and Fitzgerald, of Wilkesbarre. Rain prevented another slaughter of the Pittsburgh team. The Hoosiers beat New York in an 11-inning game. Manager Torreyson intends to resign from the McKeesport club.

The officials of the local club have made another effort toward getting the team put on to a victorious pathway. Two new pitchers have been signed, but it remains to be seen whether or not the venture is a profitable one. It is true, however, that good or bad the deal cannot well make matters any worse than they are at present. It does not seem wide of the mark to say that the local club was never in such a miserable rut as it is now, and the club officials deserve credit for the plucky way in which they have faced the misfortune and so readily put up the cash to make things better.

Well, the latest move is the signing of Pitcher Sowers, of Boston, and Fitzgerald, of Wilkesbarre. It is likely that the patrons of the club will go wild over the deal; the truth is it does not look excellent on paper, whatever it may turn out to be practically. The signing of Sowers suggests two or three interesting features. The first is:

## WHY HAS BOSTON RELEASED HIM?

It is a notorious fact that Boston is about as deep in the mud for pitchers as Pittsburgh is in the mire, at any rate Boston agents are scouring the country for one or two good pitchers. The lack of sufficient pitching power is apparently the rock on which Boston is likely to split. This being so, it is quite natural to ask if Sowers is a good man, why is Boston parting with him?

Of course there may be other reasons, and it is definitely stated that there are other reasons. It is claimed that Sowers is not by any means satisfied with the treatment he has received at Boston. There has been considerable trouble between him and the club about his salary, and as a result good relations have been severed. It is different about his work at Boston. However, the fact remains that Sowers was a good pitcher last season, and has done fairly well this season. His work this year, however, has been short of that of last year. It may be interesting to give the record of Sowers for last year. He made his appearance in the League last year and pitched 34 games, winning 19 and losing 15. He won four games from Pittsburgh and lost two. In the latter number of games he pitched there was 147, which placed him 77th on a list of 101 players.

A number of the local club stated last night that Sowers has been released by Boston so that he will have cost the club nothing. This does not augur well for his form. However, it will only be fair to wait and see what the results are.

## FITZGERALD'S RECORD.

The other young man signed is Fitzgerald, of the Wilkesbarre club. There have been many strong things said in praise of this young man recently. Ted Sullivan spent several days at Wilkesbarre lately trying to sign Fitzgerald, but failed. It is understood that his release has been made by the Wilkesbarre club. He has been looked upon as the best pitcher in the Atlantic League. He pitched 34 games, winning 19 and losing 15. He won four games from Pittsburgh and lost two. In the latter number of games he pitched there was 147, which placed him 77th on a list of 101 players.

## IN GRAND FORM.

The Hoosiers Break Up and Beat Metrie's Giants.

New York, July 19.—The Indianapolis team defeated the Giants to-day. The game was the most interesting at the new grounds. The Indianapolis men played a grand game, and did well and doing exceptionally good work in the field. Crane's pitching also materially aided in the victory. His wildness was especially costly. Score: Indianapolis, 10; Giants, 3.
